

## HOW TO NAVIGATE TO NOBSKA

1. When you spot NOBSKA at any one of the businesses listed on the reverse side, collect a store stamp or signature...
2. When you've collected at least 10 different location stamps, bring them to Nobska Lighthouse Tower to claim an "I Navigated to Nobska" magnet.
3. If you collect at least 25 of the 30 possible stamps, claim your magnet AND enter a drawing for a frame-ready Nobska Lighthouse photograph and other great prizes.

**BONUS:** Post a photo on Instagram or Facebook when you find Nobska! Use #nobskalight and tag the business location... a weekly winner will be selected at random for a prize!

The Friends of Nobska Light is a 501(c)(3) incorporated in 2015 to preserve Nobska Light Station and, since April 2016, under agreement with the US Coast Guard and the Town of Falmouth, to preserve the tower, the lighthouse keeper's house and the grounds as an educational resource open to the public.
